CAMPUS LIFE

JAI holds forums, summit meeting and exhibition yearly, 531 international professionals and industry masters are invited as full-time professors or visiting professors. They come to the university every year to give lectures and set up master workshops to lead teachers and students to create projects and broaden their international horizons.

JAI organizes fruitful activities, such as drama performance, sport events, creation market. Foreign language festival for college students.

The school offers a one-to-one study companion program for international students, which aims to help international students adapt to school life and improve their Chinese.
