# WHAT IS "COLORFUL JAI" SUMMER CAMP?

While enjoying the 22 °C cool summer in Changchun, China, we also have the opportunity to experience the traditional Chinese culture and have close contact with Changchun.

With 12,000 students in Jilin Animation Institute, we will explore knowledge and look forward to the future.

Desired effect:

Participate in the customized curriculum and schedule of Jilin Animation Institute;

Experience the real situation of mainland China and observe the development of Northeast China in the past 40 years;

Through the speech of a Changchun-Taiwanese professor, we can understand Jilin Animation Institute from different perspectives, and broaden the path for our exchange and study in mainland China.

# Introduction of Jilin Animation Institute

-Jilin Animation Institute(JAI) was founded in 2000, it has become one of the best art universities in mainland China in just 20 years;

-Animation major has been ranked the first in mainland China for three consecutive years;

-Jilin Animation Institute has 12,000 students and 1,084 faculty;

-We have frequent international exchange activities and wonderful academic forums.

## Educational Characteristics

-Open internationalization, integration of education, research and industry, high-tech creative products;

## Rate of employment

-The employment rate of graduates remains above 90% on average all year round;

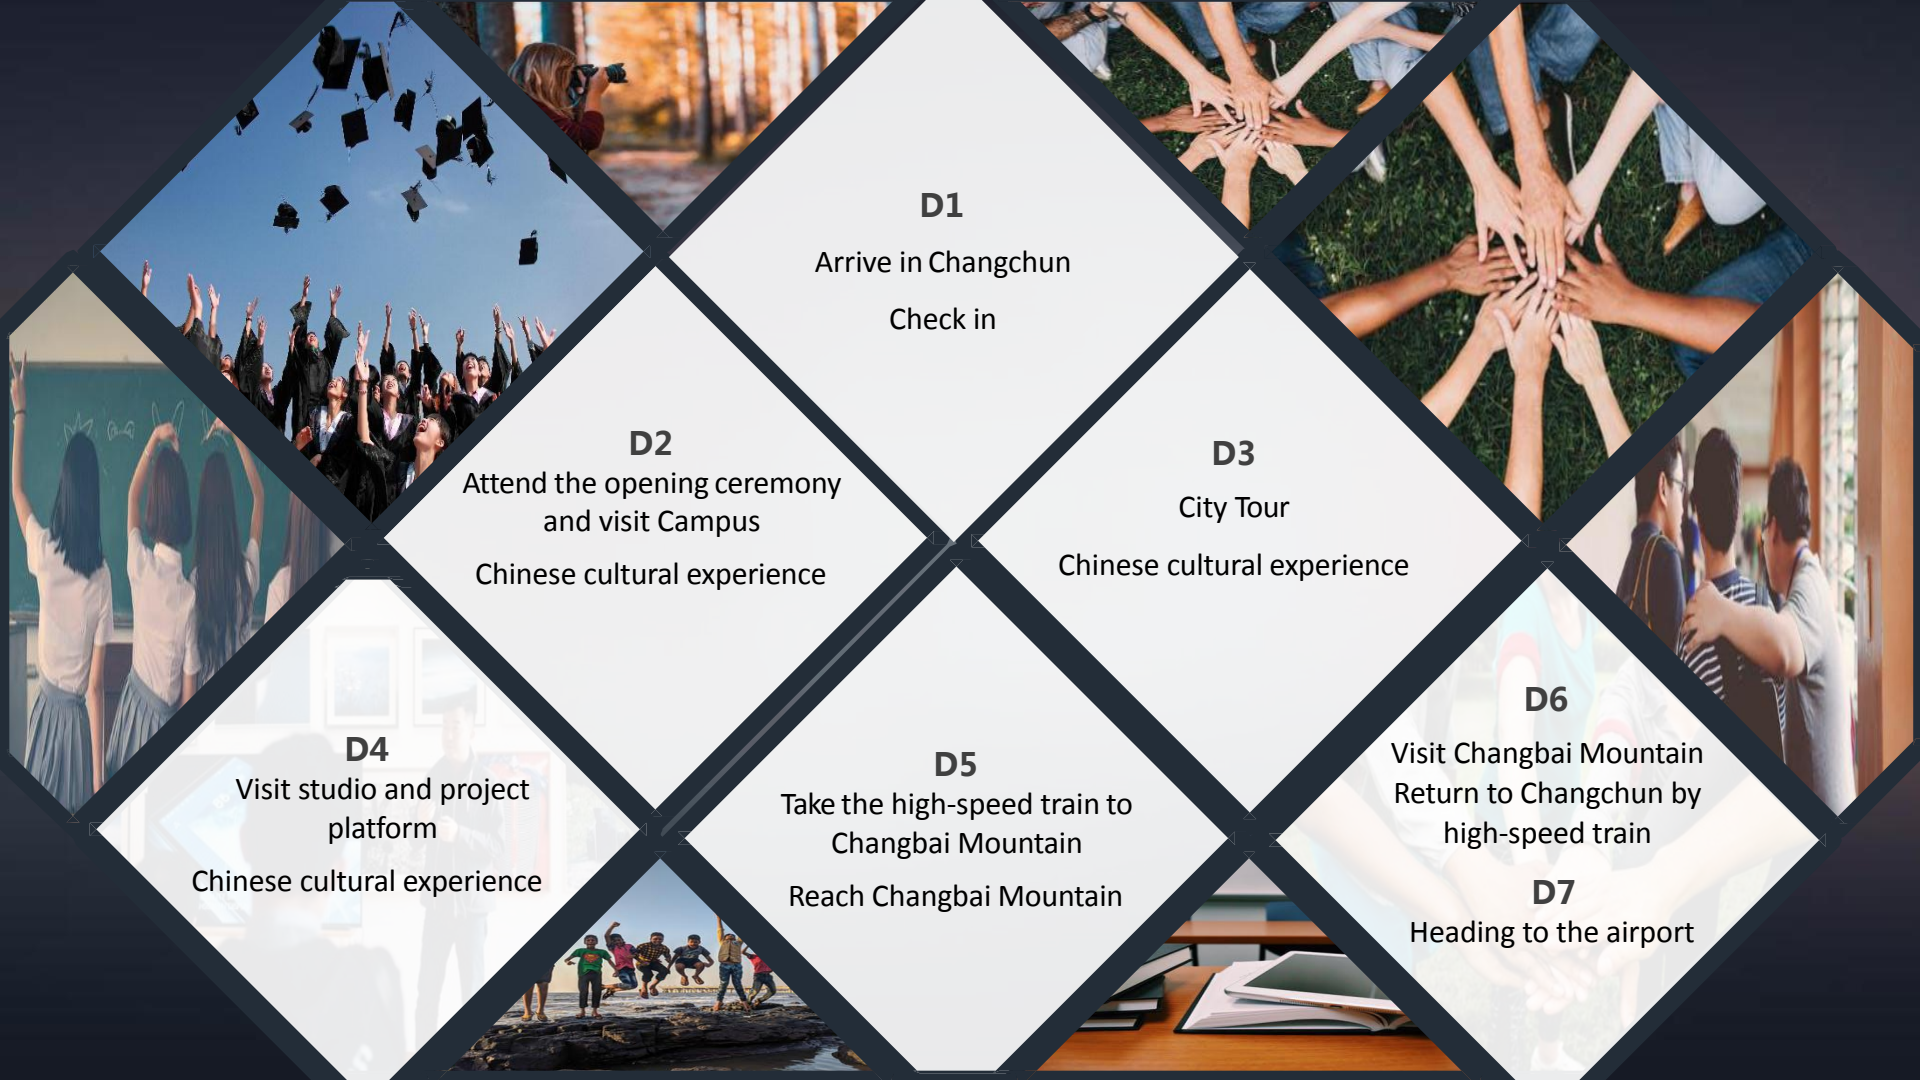

## Competitive power

-Among China's art colleges and universities, we took the lead in setting up animation major and won the first prize in the country for three consecutive years;

-In China's art universities, the first to set up a game major;

-Rated as "top 50 universities with excellent employment" by the Ministry of Education of China

-Rated as "the Best Animation Education University"

## Chinese cultural experience

We have abandoned the simple "didactic" and "cramming" ways of cultural experience. We have made fun of teaching and have close contact with traditional Chinese culture through personal experience

## <Journey of Changbai >

Changbai Mountain scenic spot is located in Yanbian Korean Autonomous Prefecture, Jilin Province, adjacent to North Korea in the southeast, and located in the north slope of Changbai Mountain, covering an area of 52.42 square kilometers. It has a magical and spectacular volcanic landscape and landscape, a typical and complete mountain forest ecosystem, a wide variety of animal and plant resources, a unique and fancy snow and ice scenery in the north, and a wide range of volcanic mineral springs and waterfalls and lakes; the unique cultural landscape, historical sites and folk customs.

Changbai Mountain scenic spot is a national AAAAA level scenic spot. The scenic spot is a famous tourist resort with "holy mountain, holy water, curious forest, fairy fruit" and the birthplace of Manzu. In the Qing Dynasty, it was known as "holy land". The emperor had to personally or appoint a minister to visit Changbai Mountain in Wula, Jilin (now Jilin City).

## <Integration of education, research and industry >

By visiting the platform studio, we can learn how universities in mainland China translate cultural and creative achievements into real productivity. 

# Summer camp expenses

- 2500RMB /person  
(Including registration fee, sightseeing and accommodation fee)

※ Excluding international air tickets and visa (pass) fees

# Q & A

## ① Is there any supermarket available?

There is a large supermarket near the university, so it is very convenient to buy daily necessities.

## ③ How to buy a SIM card of mainland China?

Can be purchased at campus business hall  
(ID card required)

## ⑤ What's the weather like in Changchun and Changbai Mountains?

The annual average temperature of Changchun is 4.6 °C. It is quite different from Taiwan (the average temperature is 22 °C), but it is cool in summer due to its location in the north.  
Changbai Mountain is windy in spring and foggy in autumn. The annual average temperature is between - 7 °C and 3 °C.

## ② Can we have Northeast food?

In the school cafeteria, students can eat Northeast food at a low price  
You can also eat it in the restaurant in the shopping center.

## ④ How can I exchange RMB?

--Bank of China, Bank of communications, China Construction Bank and industrial and Commercial Bank of China are generally recommended for exchange  
--Holding foreign currency in mainland China can also be converted into RMB

## ⑥ How about the dormitory for international students?
